— “Why Are Moslems Moslem?” —

Someone recently quipped, "Moslems can't be very smart." Another responded, "Oh? So you think Christians are smarter?"

Consider this: An estimated 93% of Moslems are Moslem for the same likely reason that YOU are Catholic or Mormon or Atheist or Baptist or Nazarene or Methodist or Pentecostal or Jehovah's Witness or Secular Humanist or Occultist or Lutheran or Hindu or Episcopalian or Agnostic or...well, you know. Almost everyone they know, including their parents and other family members and their childhood friends and such are/were all Moslem.

> "In religion and politics, people's beliefs and convictions are in almost every case gotten at second hand, and without examination." —Samuel Clemens

Sounds to us like maybe life's an IQ test. You?

Christian? When will you do something about that? For help, explore www.Link1.info often, for more practical help than we think you'll ever find "in church."

> "My people are destroyed for lack of [*sincerity?*] [*prayer?*] [*worship?*] [*holiness?*] [*righteousness?*] [*faith?*] [*regular church attendance?*] [*getting "truly 'saved'?"*] [*hyperspirituality?*] [*believing "what 'we' believe?"*] knowledge..." —Hosea 4:6

PS: Someone recently asked why I usually prefer to call Muslims "Moslems?" If you're curious about that, too, just ask. I'll be happy to share: www.Link1.info/contact-us.

PSS: Each of those groups I've named, here, is a religion: Is there even one of them that is more aggressive in its evangelism than members of the Atheist and Secular Humanist faiths? What other religious group is brash enough to try and force compliance with its faith through the courts?
