— “Heaven on Earth” —

At John 14:2,3 are these words of Jesus: "...I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, [there] ye may be also." The place He went to prepare for us is described at Revelation 21. Why not grab a Bible and read that?

Best we can figure, it will measure approximately 350 miles (560 kilometers) on each side and feature a 122,500 square mile (197,225 square kilometer) foundational footprint. The height of it will reach about 350 miles (560 kilometers). That's going to be a huge and unprecedented structure!
